DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The Notice of Non-Compliant Amendment (37 CFR 1.121) mailed 28 February 2011 is hereby vacated.

It is noted that while applicant, at page 16, paragraph B, of the response of 21 August 2010, asserts that they "will provide the replacement figures in due course," applicant also requests (at page 2) that the Office "[p]lease cancel Figures 1A and 1B, without prejudice or disclaimer." Clarification as to applicant's intent was provided during a telephonic interview on 24 March 2011 with applicant's representative wherein it was communicated that applicant will not be providing he canceled drawings.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bradley L. Sisson whose telephone number is (571) 272-0751. The examiner can normally be reached on 6:30 a.m. to 5 p.m., Monday through Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dave Nguyen, can be reached on 571-272-0731. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
